**[C][G7][F][C] [C][G7][F][C]**

**[C]**If you're spending too much time just **[G7]**staring at a screen  
You need to **[F]**get your own space, and put **[C]**down the caffeine  
**[C]**Facebook or MySpace or **[G7]**maybe it's your job  
**[F]**If you don't get away **[A]**you'll turn into a slob  
So **[C]**what are you supposed to **[G7]**do?  
All you need is a **[C]**boat,

*Chorus*

**[C]**Bigger or smaller a **[G7]**sailboat or trawler  
**[F]**It doesn't take much just as long as **[G7]**it **[C]**floats  
**[C]**Get off the computer get **[G7]**outta the house  
**[F]**Go down to the beach, get your **[A]**hand off the mouse  
All you need is a **[C]**boat.

**[C]**There's people to see, **[G7]**places to go,  
**[F]**restaurants and beach bars **[C]**galore  
Shells to collect, **[G7]**pictures to take,  
**[F]**it's all there a stones throw away from the **[A]**shore  
**[C]**There's islands with beaches, **[G7]** seafood for takin'  
**[F]**It's easy to do, there aint **[C]**no mistakin'  
Now I'll tell you what I've **[G7]**found....  
All you need is a **[C]**boat,

*Chorus*

**[C][G7][F][C] [C][G7][F][C]**

**[C]**You don't have to buy one just **[G7]**go out and try one  
**[F]**A dingy, life raft or **[C]**canoe  
**[C]**Find a friend who's a sailor or **[G7]**one on a trailer  
**[F]**She can be purple or yellow or **[C]**red white and **[G7]**blue  
All you need is a **[C]**boat,

*Chorus 2X*
