[A]

[A]I know you heard that worn out line
About love at first sight
Well I never knew those words were true
'Til [E]you walked in tonight
All [A]it took was just one look
To [D]knock me off my feet
[A]I'm not a man of many words
So I'll [E]make this short and sweet[A]

Chorus

*[D]Could you, would you, ain't you gonna
If I asked you, would you wanna, be [A]my baby tonight
Yeah [E]take a chance, slow dance, make a little romance
[A]Honey, it will be alright
[D]Girl you got me wishing we were huggin' and a kissin'
And a [A]holdin' each other [D]tight
So, [A] could you, would you, ain't you gonna
If I asked you would you wanna be my [E]baby to[A]night*

[A]I'm not trying to come on like some rhinestone Romeo
I'm lookin' for a whole lot more
Than a one [E]night rodeo
What [A]can I do to prove to you
I'm [D]layin' it on the line
I'll [A]even get down on my knees
Just to [E]beg you one more time[A]

(Chorus)

[A]Yeah could you, would you, ain't you gonna
If I asked you would you wanna..... [E]Be my baby to[A]night
