

## Beer For My Horses – Toby Keith

<http://www.kanikapila.us/lyrics.html>

Well a [G]man come on the [C]6 o'clock [G]news  
Said [C]somebody's been [G]shot, some[D]body's been ab[G]used  
Somebody [G]blew up a building, somebody [C]stole a [G]car  
Somebody [C]got a[G]way, somebody [D]didn't get too [G]far  
[Em]Yeah, they [D]didn't get too [G]far

Grand[G]pappy told my pappy, "Back in [C]my day, [G]son.  
A [C]man had to answer[G] for the [D]wicked that he [G]done  
Take [G]all the rope in Texas, find a [C]tall oak [G]tree  
Round up [C]all them [G]bad boys, hang 'em [D]high in the [G]street  
[Em]For all the [D]people to [G]see that"

### Chorus

*[D]Justice is the one thing you should [C]always [G]find  
You gotta [C]saddle up your [G]boys, you gotta [D]draw a hard [G]line  
When then [D]gun smoke settles we'll sing a [C]victory [G]tune  
We'll [C]all meet [G]back at the [D]local sa[G]loon  
We'll [G]raise up our glasses a[C]gainst evil [G]forces singin'  
[F]Whiskey for my [C]men, Beer for my [G]horses*

We got [G]too many gangsters doin' [C]dirty [G]deeds  
We've got [C]too much cor[G]ruption, too much [D]crime in the [G]streets  
It's time the [G]long arm of the law put a [C]few more in the [G]ground  
Send them [C]all to their [G]maker and he'll [D]settle 'em [G]down  
[Em]You can bet he'll [D]settle 'em [G]down

### (Chorus)

*[F]Whiskey for my [C]men, Beer for my [G]horses*
