

Bubba Shot The Jukebox - Mark Chesnutt

<http://www.kanikapila.us/lyrics.html>

[G]We were all down at Margie's bar
[G]Telling stories if we had one
[G]Someone fired the old jukebox up
[G]The song sure was a sad one
[G]A teardrop rolled down Bubba's nose
[G]From the pain the song was inflicting
[G]And all at once he jumped to his feet
[G]Just like somebody kicked him

*[G]Bubba shot the juke box [D]last [G]night
[D]Said it played a sad song it [C]made him [G]cry
[G]Went to his truck and got a [D]forty [C]five
[G]Bubba shot the juke box [D]last [G]night*

[G]Bubba ain't never been accused
[G]Of being mentality stable
[G]So we did not draw an easy breathe
[G]until he laid that colt on the table
[G]He hung his head till the cops showed up
[G]They dragged him right out of Margie's
[G]Told him "Don't play dumb with us, son"
[G]"Know damn well what the charge is."

*[G]Bubba shot the juke box [D]last [G]night
[D]Said it played a sad song it [C]made him [G]cry
[G]Went to his truck and got a [D]forty [C]five
[G]Bubba shot the juke box [D]last [G]night*

[G]Well, the sheriff arrived with his bathrobe on
[G]The confrontation was a tense one
[G]Shook his head said, "Bubba Boy,"
[G]"You was always a dense one."
[G]Reckless discharge of a gun
[G]That's what the officers are claiming
[G]Bubba hollered, "Reckless! Hell!"
[G]"I shot just where I was aiming."

*[G]Bubba shot the juke box [D]last [G]night
[D]Said it played a sad song it [C]made him [G]cry
[G]Went to his truck and got a [D]forty [C]five
[G]Bubba shot the juke box [C]stopped it with [G]one shot
[G]Bubba shot the jukebox [D]last [G]night
[C]Well he could not tell [G]right from wrong
[D]Through the teardrops [G]in his eyes
[C]Beyond a shadow [G]of a doubt
It was [D]justifiable [D]homicide [G]
[G]Bubba shot the juke box [C]stopped it with [G]one shot
[G]Bubba shot the jukebox [D]last [G]night*
