

Bye Bye Blackbird

<http://www.kanikapila.us/lyrics.html>

[C]Pack up all my [A7]cares and woe,
[Dm7]here I go [G7]singing [C]low,
[C]Bye [C]Bye [Dm7]Black[G7]bird.
[Dm]Where somebody [Dm7]waits for me
[Dm7]sugar's sweet, [G7]so is she.
[Dm7]Bye [G7]Bye [C7]Black[C]bird.
[C7]No one here can love and [A7]understand me,
[Dm]o, what hard luck [Dm7]stories they all [G7]hand me.
[C]make my bed and light the light,
[Bb7]I'll arrive [A7]late tonight,
[Dm7]Black[G7]bird, [C]bye [Am7]bye. [Dm7] [G7]

(Repeat entire song 3 or 4 times)
