[G] [C] [Em] [D] 2X

[G]It's falling from the [D]clouds  
A [Am]strange and lovely [Em]sound  
I [C]hear it in the [G]thunder and [D]rain  
It's [G]ringing in the [D]sky  
Like [Am]cannons in the [Em]night  
The [C]music of the [G]universe [D]plays

*(Chorus)*

*Singing, [G]You are holy, [C]great and mighty  
[Em]The moon and the stars, de[D]clare who you are  
I'm [G]so unworthy, but [C]still you love me  
For[Em]ever my heart will [D]sing of how great you [G]are*

[G] [C] [Em] [D]

[G]Beautiful and [D]free  
the [Am]song of [Em]galaxies  
It's [C]reaching far be[G]yond the Milky [D]Way  
Let's [G]join in with the [D]sound  
Come [Am]on let's sing it [Em]loud  
As the [C]music of the [G]universe [D]plays

*(Chorus)*

*(Bridge)*

All [C]glory, honor, power is [G]yours [D]amen  
All [C]glory, honor, power is [G]yours [D]amen  
All [Am]glory, honor, power is [Em]yours [Dsus4]forever [D]amen

Singing, [G]You are holy, [C]great and mighty  
The [Em]moon and the stars, de[D]clare who you are  
I'm [G]so unworthy, but [C]still you love me  
For[Em]ever my heart will [D]sing of how great you [G]are

Singing, [G]You are holy, [C]great and mighty  
The [Em]moon and the stars, de[D]clare who you are  
I'm [G]so unworthy, but [C]still you love me  
For[Em]ever my heart will [D]sing of how great you [G]are
