[C] American girls and [G] American guys
We'll always [Am] stand up and salute, we'll always [Em] recognize
When we [F] see old glory flyin' there's a [C] lot of men dead
So [G] we can sleep in peace at night when we lay down our heads

My daddy [C] served in the army where he [G] lost his right eye
But he flew a [Am] flag out in our yard till the [Em] day that he died
He wanted my [F] mother, my brother, my [C] sister and me
To grow [G] up and live happy in the land of the free

Now this [C] nation that I love has fallen [G] under attack
A mighty [Am] sucker punch came flyin' in from [Em] somewhere in the back
Soon as [F] we could see clearly thru our [C] big black eye
Man we [G] lit up your world like the 4th of July

Chorus:

*Hey Uncle [F] Sam put your name at the [G] top of his list
And the [C] Statue of Liberty started [Am] shaking her fist
And the [F] eagle will fly, Man, it's [G] gonna be hell
When [C] you hear Mother Freedom start [Am] ringin her bell
And it'll [F] feel like the whole wide [G] world is rainin' down on [A] you
[F] Brought to you courtesy [G] of the red, white, and [C] blue*

(Strum slowly here)

[C] Justice will be served and the [G] battle will rage
This [Am] big dog will fight when you [Em] rattle his cage
And you'll be [F] sorry that you messed with the [C] U.S. of A-A-A-A
Cause we'll put a [G] boot in your ass, it's the American way

(Chorus)
