

The Cruise Song - KD Moore

<http://www.kanikapila.us/lyrics.html>

I'm on a [C]big boat full of Parrot Heads. I must [F]admit it's quite a [C]sight
The colors on their Hawaiian Shirts could [G]luminare the night
They're [C]Drinkin Margaritas and they're [F]singin' Buffett [C]songs
Bartender "Dos Tequila's"... I [G]think I'll tag a[C]long

I'm on a [F]cruise ship bound for Grand Cayman got [C]seven days to kill.
[G]poolside sittin' rum drink sippin' gonna [F]eat 'till I get my [C]fill
I [F]brought my ukulele I [C]came here to play
so put your hands together I wanna [G]see those grass skirts [C]sway

[C]Late at night out on deck we'll be [G]howlin' at the moon
We [D]may have all gone crazy but ..[G]we'll be back soon..

We're on a [F]cruise ship bound for Grand Cayman got [C]seven days to kill.
[G]Tiki bar sittin' boat drink sippin' gonna [F]eat 'till we get our [C]fill
My [F]wife brought her harmonica's I [C]love to hear her play
so put your hands together I bet she can [G]make this big boat [C]sway

[C]South of Margaritaville we'll be [G]howlin' at the moon
We [D]may have all gone crazy but ..[G]we'll be back soon ..

On a [F]cruise ship bound for Grand Cayman got [C]seven days to kill..
[G]Tequila shootin' All night hootin' gonna [F]eat 'till we get our [C]fill
And [F]when this party's over and we've [C]gone our separate ways
remember what happened on the open seas [G]that's where it [C]stays!!

But wait..even more important [G]before we leave each Port.
take a [D]look around for the two of us..Make [G]Sure ..we're both aboard!!

[NC]We'd appreciate it!
