

Die A Happy Man - Thomas Rhett

<http://www.kanikapila.us/lyrics.html>

[G]Baby last night was hands down
[D]One of the best nights
[Em]That I've had no doubt
[C]Between the bottle of wine
[G] And the look in your [D]eyes and the Marvin Gaye
[Em]Then we danced in the dark under
[C]September stars in the pourin' rain

[G]And I know that I can't ever tell you enough
[D]That all I need in this life is your crazy love
[Em]If I never get to see the Northern lights
[C]Or if I never get to see the Eiffel Tower at night
[G]Oh if all I got is your [D]hand in my hand
[Em]Baby I could [C]die a happy man yeah
Happy man, baby Mmmmm

[G]Baby that red dress brings me to my knees
[D]Oh but that black dress makes it hard to breathe
[Em]You're a saint, you're a Goddess,
the cutest, the hottest, a masterpiece
[C]It's too good to be true, nothing better than you
In my wildest dreams

[G]And I know that I can't ever tell you enough
[D]That all I need in this life is your crazy love
[Em]If I never get to see the Northern lights
[C]Or if I never get to see the Eiffel Tower at night
[G]Oh if all I got [D]is your hand in my hand
[Em]Baby I could [C]die a happy man yeah

[G]I don't need no vacation, no fancy destination
[D]Baby you're my great escape
[Em]We could stay at home, listen to the radio
[C]Or dance around the fireplace

[G]And if I never get to build my mansion in Georgia
[D]Or drive a sports car up the coast of California
[Em]Oh if all I got is your hand in my hand
[C]Baby I could die a happy man

[G]Baby I could die a happy man
[D]Oh I could die a happy man
[Em]You know I could girl
[C]I could die, I could die a happy man
