

Early In The Morning - Vanity Fare

<http://www.kanikapila.us/lyrics.html>

[Am]Evening is the [Dm]time of [E7]day
[G]I find nothing [C]much to say
[Am]Don't know what to [E7]do, but I come [Am]to

When it's [Dm]early in the morning over by the [C]window day is dawning
When I feel the [G]air I feel that life is very [C]good to me, you [E7]know

In the [Dm]sun there's so much yellow
something in the [C]early morning meadow
Tells me that to[G]day you're on your way
And you'll be coming [C]home, home to [E7]me

[Am] [G] [E7]

[Am]Night time isn't [Dm]clear to [E7]me
[G]I find nothing [C]near to me
[Am]Don't know what to [E7]do but I come [Am]to

When it's [Dm]early in the morning very, very [C]early without warning
I can feel a [G]newly born vibration sneaking [C]up on me a[E7]gain

There's a [Dm]song bird on my pillow
I can see the [C]funny weeping willow
I can see the [G]sun you're on your way
and you'll be coming [C]home, [E7]home

[Am]Evening is the [Dm]time of [E7]day
[G]I find nothing [C]much to say
[Am]Don't know what to [E7]do, but I come [Am]to

When it's [Dm]early in the morning over by the [C]window day is dawning
When I feel the [G]air I feel that life is very [C]good to me, you [E7]know

In the [Dm]sun there's so much yellow
something in the [C]early morning meadow
Tells me that to[G]day you're on your way
And you'll be coming [C]home, home to [E7]me

When it's [Dm]early in the morning very, very [C]early without warning
I can feel a [G]newly born vibration sneaking [C]up on me a[E7]gain
