Well now **[G]**take down your fishin' pole, And **[C]**meet me at the fishin' hole
We may **[G]**not get a bite all day, but don't you **[D7]**rush a**[G]**way
What a **[G]**great place to rest your bones, And **[C]**mighty fine for skippin' stones
You'll feel **[G]**fresh as a lemonade, a sittin' in **[D7]**the **[G]**shade

[C]Whether it's **[G]**hot, **[C]**whether it's **[G]**cool
[C]Oh what a **[G]**spot, for **[A7]**whistlin' like a **[D7]**fool

What a **[G]**fine day to take a stroll, And **[C]**wonder by the fishin' hole
I can't **[G]**think of a better way to pass the **[D7]**time o' **[G]**day
We'll have **[G]**no need to call the roll when we **[C]**get to the fishin' hole
There'll be **[G]**you me and old dog Trey, to doodle **[D7]**time a**[G]**way

If we **[G]**don't hook a perch or bass, we'll **[C]**cool our toes in dewy grass
Or else **[G]**pull up a weed to chew, and maybe **[D7]**set and **[G]**jaw

[C]Hangin' a**[G]**round, **[C]**takin' our **[G]**ease
[C]Watchin' that **[G]**hound, a **[A7]**scratchin' at his **[D7]**fleas

Come on, **[G]**take down your fishin' pole and **[C]**meet me at the fishin' hole
I can't **[G]**think of a better way to pass the **[D7]**time o' **[G]**day

(whistle)**[G]** **[C]** **[G]** **[D7]** **[G]**
