

# God Don't Own A Car - Jimmy Buffett

<http://www.kanikapila.us/lyrics.html>

[G]I have been out [Em]wanderin'  
[G]I have traveled [Em]far  
[G]One conclusion I [Em]have made  
Is [C]God don't [D]own a [G]car

[G]He don't wear no [Em]fancy clothes  
[G]He'd rather take the [Em]bus  
[G]He would pay a [Em]tourist fare  
So [C]He could [D]sit with [G]us

[G]He don't have no [Em]tambourine  
[G]Guitar or slide trom[Em]bone  
[G]The music we make [Em]here on Earth  
The [C]words they [D]are His [G]own

[G]And when we finally [Em]reach His home  
[G]And walk among the [Em]stars  
[G]He'll join our band then we'll [Em]understand  
Why [C]God don't [D]own a [G]car

[G]A la la la la [Em]la la  
[G]A la la la la [Em]la  
[G]A la la la la [Em]la la  
A [C]la la [D]la la [G]la
