[C]Well, he came down on vacation 'cause he [F]liked the tropic [C]sun
Margaritas and the music [G]made it awesome fun
He [C]bought a piece of heaven on the [F]Caribbean [C]sea,
He's a happy little [G]camper in [C]Belize!

[C]He began to build a condo but the [F]labor costs was [C]high
His partner stole his money, and [G]left him high and dry
His [C]land is still a mud hole where you [F]sink up to your [C]knees,
And he's just another [G]Gringo in [C]Belize

Chorus:

*[C]He's a planner, he's a dreamer, he's a [F]sordid little [C]schemer,
He seems to think that money grows on [G]trees...
He's a [C]whiner, he's a loser, he's a [F]pothead, he's a [C]boozer,
He's just another [G]Gringo in [C]Belize*

[C]Well, he used to have a girlfriend, but [F]now he can't af[C]ford her,
'cause one of his investments got [G]busted at the border,
He [C]wasted all his money payin' [F]bribes 'n' fines 'n' [C]fees,
And He's just another [G]Gringo in [C]Belize.

[C]So he sold his motorcycle, and some[F]body stole his [C]boat,
They ran it on the reef and now the [G]damn thing just won't float,
The only [C]thing that's free is mud, mos[F]quitoes, and the [C]breeze,
And he's just another [G]Gringo in [C]Belize!

(Chorus)

[C]Now he'll drink a beer for breakfast, and [F]chase it with rum [C]punch,
He's smokin' up his dinner, he's [G]snortin' up his lunch,
He's been [C]wasted on the mainland, now he gets [F]stoned out in the [C]cayes,
And he's just another [G]Gringo in [C]Belize

(Chorus)

He's just another [G]Gringo in [C]Belize
[NC]come to think of it, tho Sounds like a pretty good life to me!
