[G] [G] [G] [F] [G] (1 strum each) 2x

[G]So long boss, knock 'em dead, don't [C]worry 'bout a [G]thing
[C]Wish that we could [G]come along, we'd [A]love to hear you [D]sing
[G]Limo's here, your bags are packed, the [C]list is by the [G]phone
[C]Me and Snake will [G]watch your place and [A]treat it like our [D]own

[G]Look at all this liquor Look [C]at all this [G]food
[C]It's only gonna [G]go to waste we're not [A]really being [D]rude
But the [G]good stuff's in his closet, I [C]swear he wouldn't [G]mind
Hell [C]we'll just shoot [G]the lock off, I [A]do it all the [D]time

Chorus

*We're [C]gypsies in the [G]palace, He's [C]left us here [G]alone
The [C]Order of the [G]Sleepless Knights will [A]now assume the [D]throne
[C]We ain't got no [G]money, [C]we ain't got no [G]right
[C]But we're gypsies in the [G]palace, we [A]got it all [D]tonight*

[G]There's damsels in distress out there and [C]we got all this [G]beer
We'll [C]free them from their [G]condos and [A]bring 'em over [D]here
We'll [G]show them his gold records. We'll [C]play his music [G]loud
We'll [C]party just like [G]Bubba does. We'll [A]do the old man [D]proud

We're [C]gypsies in the [G]palace, there [C]ain't no wrong or [G]right
We're [C]gypsies in the [G]palace, and a' [A]goin' wild [D]tonight

[G]He's the greatest guy to work for, [C]man he's really [G]cool
[C]Hey Snake this party's [G]gettin' dull, throw [A]someone in the [D]pool
Hey [G]let's all take our clothes off and [C]form a conga [G]line
[C]Watch out for that [G]broken glass, hey [A]Snake we need more [D]wine

We're [C]gypsies in the [G]palace, there [C]ain't no wrong or [G]right
We're [C]gypsies in the [G]palace, and a' [A]goin' wild [D]tonight

[G]Oh hi there boss, what's goin' on You [C]say you're coming [G]WHEN?
I'll [C]send Snake out to [G]pick you up [A]tomorrow night at [D]ten
[G]Everybody outta here, this [C]party's closin' [G]down
We gotta [C]find someone to [G]clean this up, [A]he's comin' back to [G]town

[G]Hi there boss we waxed your cars, we [C]raked and mowed your [G]lawn
We [C]couldn't find [G]enough to do in the [A]short time you were [D]gone
[G]Man it sure is peaceful here, you've [C]really got it [G]all
If you [C]ever hit the [G]road again, give [A]me and Snake a [D]call

(Chorus)
