[G]

[G]I wanna sweep you off your feet tonight
I wanna love you and **[D]**hold you tight
Spin you around on some **[Em]**old dance floor
Act like we never **[C]**met before for fun,

*'Cause **[G]**you're the one I want, you're the one I need
Baby, **[D]**if I was a king, ah, you would be my queen
You're the **[Em]**rock in my roll. You're good for my soul, it's **[C]**true
I'm head over boots for **[G]**you **[D]****[C]***

The way you sparkle like a **[G]**diamond ring
Maybe one day we can **[D]**make it a thing
Test time and grow **[Em]**old together
Rock in our chairs and talk **[C]**about the weather, yeah
So, **[G]**bring it on in for that angel kiss
Put that **[D]**feel good on my **[C]**lips,

*'Cause **[G]**you're the one I want, you're the one I need
Baby, **[D]**if I was a king, ah, you would be my queen
You're the **[Em]**rock in my roll. You're good for my soul, it's **[C]**true
I'm head over boots for **[G]**you **[D]** **[Em]** **[C]***

Yeah, I'm **[G]**here to pick you up
And I **[D]**hope I don't let you **[C]**down, no, (PAUSE)

*'Cause **[G]**you're the one I want, you're the one I need
Baby, **[D]**if I was a king, ah, you would be my queen
You're the **[Em]**rock in my roll. You're good for my soul, it's **[C]**true
I'm head over boots for **[G]**you*

***[G]**You're the one I want, you're the one I need
Baby, **[D]**if I was a king, ah, you would be my queen
You're the **[Em]**rock in my roll. You're good for my soul, it's **[C]**true
I'm head over boots for **[G]**you **[D]** **[Em]** **[C]***

*I wanna **[G]**sweep you off your feet tonight
I wanna love you and **[D]**hold you tight
Spin you around on some **[Em]**old dance floor....**[C]** **[G]***
