[D]I ain't never been with a woman long enough, [F#m]for my boots to get old.  
[G]We've been together so long now they [D]both need resoled.  
[D]If I ever settle down [F#m]you'd be my kind  
and [G]it's a good time for me to [A]head on down the [D]line.

*Chorus:*

[D]Heard it in a lo[A]ve [G]song  
Heard it in a [D]lo[A]ve [G]song  
Heard it in a [D]lo[A]ve [G]song  
[NC]Can't be wrong. [D]

[D]I'm the kinda man [F#m]likes to get away,  
[G]like to start dreamin about [D]tomorrow today.  
[D]Never said that I love you, [F#m]even thought it's so  
[G]Where's that duffle bag of [A]mine it's time to [D]go.

*(Chorus)*

[D]I'm gonna be leavin [F#m]at the break of dawn.  
[G]Wish you could come but I don't need no [D]woman taggin along.  
[D]So I'll sneak out that door [F#m]couldn't stand to see you cry.  
[G]I'd stay another year if I saw a [A]tear drop in your [D]eye.

*(Chorus)*

[D]I never had a damn thing but what I had I [F#m]had to leave it behind.  
[G]You're the hardest thing I ever tried to [D]get off my mind.  
[D]Always something greener on [F#m]the other side of that hill.  
[G]I was born a wrangler and a rambler and [A]I guess I always [D]will

*(Chorus)*
