[C]Wally's getting' anxious thinkin' 'bout tonight
Bruce is all spiffy lookin' wicked lookin' right
Eddie's getting' spruced and Donna's getting' loose
They're passin' round the bottle and they're gettin' good and juiced

[F]B.G.'s winin' dinin' checkin' talent at the club

[C]Skippers hauntin' second lookin' forward to his rub
The [G]busters from the country and the hitters from the shop

[C]Everybody wants to do the Horizontal Bop

[C]Someone bring the records, someone get the brew
Someone get a house, Buddy we'll know what to do
Someone tell the ladies, someone make a deal
If we can't find a house, someone better find a field

[F]Grass is good as carpet, anyplace is fine
It's [C]time to get to rockin', babe it's time to make it shine

[G]Tell 'em we'll be dancin', dancin' till we drop

It's [C]time to get down and do the Horizontal Bop

[C]They're fillin' up the corners, they're fillin' up the streets
You can feel the tension, you can almost feel the heat
The music's gettin' louder, the beat's gittin' fast
Summers finally made it, yeah it's finally here at last

The [F] pony cars are cruisin' on Woodward Avenue

[C]Go and try to pass'em, they'll smoke you if you do

The [G]whole town's shakin' from the bottom to the top

[C]Everybody wants to do the Horizontal Bop

The [G]busters from the country, and the hitters from the shop

[C]Everybody wants to do the Horizontal Bop

[G]Tell 'em we'll be dancin', dancin' till we drop

[C]Everybody wants to do the Horizontal Bop
