[C] [F] [G] [C]

Well me & Bobby Ray were **[Am]**goin down,
to a **[F]**pick up joint just outside of town,
You know a **[G]** meat market, where you pick up **[C]**chicks **[G]**
Well **[C]**knowin' Bobby Ray **[Am]**as I do,
he'll be **[F]**goin' home alone before the night is through,
He's just **[G]**too darn picky, he's always wantin' to score **[C]**big
[Am]Well I'm not leavin' here a **[G]**lone,
[Am]I'm gonna compromise, **[G]**early **[G7]**on

Chorus

[C]I'm goin' **[F]**ugly **[G]**early to**[C]**night,
She may not be a **[F]**beauty queen, but **[G]**that's all **[C]**right
I'm not waiting **[F]**round for one that **[G]**looks good in the **[Am]**light
[C]I'm goin' **[F]**ugly **[G]**early to**[C]**night, **[C] [F] [G] [C]**

[C]So bobby I say's, **[Am]**please don't stare
but **[F]**check them two out standin' over there
He says **[G]**you mean the good lookin' blonde and the one with the big,,,**[C]**zits? **[G]**
I said **[C]**yeah that's right and **[Am]**here's my plan,
I'm not **[F]**goin' for ms Scandinavian,
her **[G]**little chubby friend, well that's my **[C]**pick

[Am]You can drink em pretty but not **[G]**skinny,
[Am]If you get too picky well **[G]**you ain't getting' **[G7]**any, so

(Chorus)

[C]And all of a sudden **[Am]**to my surprised,
the **[F]**pretty one was givin' me the eye
and I was **[G]**fixin' to move up from a two to a **[C]**ten **[G]**
She said **[C]**you know I don't live too **[Am]**far from here,
I'll **[F]**get my purse and you pay for the beer
and I was **[G]**feeling pretty puffed up, til she turned to her **[C]**friend
[Am]I guess she didn't think I'd **[G]**hear,
those **[Am]** hurtful words she whispered in **[G]**little chubby's ear,

[C]I'm goin' **[F]**ugly **[G]**early to**[C]**night,
His friend is better **[F]**looking, but **[G]**I ain't got the **[C]**time
I'm not waiting **[F]**round for one that **[G]**looks good in the **[Am]**light
she said **[C]**I'm goin' **[F]**ugly **[G]**early to**[C]**night, **[C] [F] [G] [C]**

You know she really **[F]**hurt my pride but **[C]**way down deep in **[Am]**side
I'm **[C]**glad she's goin' **[F]**ugly **[G]**early to**[C]**night
