Version 2

[C]Well, it's been a long time glad to [F]see your face
I [C]knew we'd met again another [G7]time another place
[C]Can't believe it's been [F]so many years
You'd [C]better grab a chair and a [G7]couple of beers

[C]Looking good in your [F]three piece suit
You know I [C]always knew you'd take the [G7]business route
[C]You were always the one to [F]follow the light
And you [C]look like you're [G7]doing al[C]right yea [C] [G7] [C]

[C]Been singing for my rent Been [F]singing for my supper
I'm [C]above the below and [G7]below the upper
I'm [C]struck in the middle where [F]money gets tight
But I [C]guess I'm [G7]doing al[C]right

Chorus:

*[C]I'm all [F]I'm all [C]I'm al[G7]right
It's a beau[C]tiful day not a [F]cloud in sight
So I [C]guess I'm [G7]doing al[C]right
[A]Oh oh [E7]Oh oh [F]I'm al[C]right
I've [C]got a good old friend here [F]with me tonight
And I [C]guess I'm [G7]doing al[C]right*

[C]Well we had a lot of dreams when [F]we were younger
They [C]thought that we were crazy but we [G7]had the hunger
We [C]kept a lot of friends [F]skip a lot of class
Been on [C]top of the world and [G7]knocked on our ***

[C]We lost our guts We [F]lost in love We [C]lost our minds when [G7]things got tough
But [C]beating time is a [F]losing fight
And I [C]guess I'm [G7]doing al[C]right

(Chorus) Well I [C]guess I'm [G7]doing al[C]right alright

[C]Well I hate to see this [F]evening end God [C]only knows when I'll [G7]see you again
Just [C]send a text [F]send me a letter
or [C]give me a call that [G7]would even be better

[C]Give the kids a [F]kiss for me and [C]say hello to the [G7]family
And [C]tell them all my [F]future is looking bright
Well I [C]miss them but I'm [G7]doing al[C]right
I said I [C]miss them but I'm [G7]doing al[C]right

(Chorus)

Well I [C]guess I'm [G7]doing al[C]right alright Well I [C]guess I'm [G7]doing al[C]right
