[D] [D/F#] [G] [D/F#] [Em] [A] [D]

[D]When you see a [D/F#]deer you see [G]Bambi [D/F#]

And I [Em]see antlers [A]up on the [D]wall

[D]You see a [D/F#]lake you think [G]picnics and [D/F#]I see

A [Em]large mouth up under that [A]log

You're [G]probably thinking that [D]you're gonna change me

In [G]some ways well maybe you [A]might

Scrub me [Em]down dress me [D/F#]up oh well [G]no matter [D/F#]what

Re[Em]member [A]I'm still a [D]guy

[D]When you see a [D/F#]priceless French [G]painting [D/F#]

I [Em]see a [A]drunk naked [D]girl

[D]You think that [D/F#]riding a [G]wild bull sounds [D/F#]crazy

And [Em]I'd like to give it a [A]whirl

Well [G]Love makes a man do some [D]things he aint proud of

And [G]in a weak moment I [A]might

Walk [Em]your sissy [D/F#]dog hold your [G]purse at the [D/F#]mall

But re[Em]member [A]I'm still a [D]guy

And I'll [A]pour out my heart hold your [G]hand in the [D]car

Write a [A]love song that makes you [G]cry [D]

Then [A]turn right around knock some [G]jerk to the [D]ground

Cause he [Bm]copped a feel [A]as you walked [G]by

I can [D]hear you now [D/F#]talking to [G]your friends [D/F#]

Saying [Em]yeah girls he's [A]come a long [D]way

From [D]dragging his [D/F#]knuckles, and [G]carrying a [D/F#]club

And [Em]building a fire in a [A]cave

But when [G]you say a backrub means [D]only a backrub

Then [G]you swat my hand when I [A]try

Well [Em]what can I [D/F#]say at the [G]end of the [D/F#]day

[Em]Honey [A]I'm still a [D]guy

And I'll [A]pour out my heart hold your [G]hand in the [D]car

Write a [A]love song that makes you [G]cry [D]

Then [A]turn right around knock some [G]jerk to the [D]ground

Cause he [Bm]copped a feel [A]as you walked [G]by

[D]These days there's [D/F#]dudes getting [G]facials [D/F#]

[Em]Manicured [A]waxed and [D]botoxed

With [D]deep spray-on [D/F#]tans and creamy [G]lotiony [D/F#]hands

You [Em]can't grip a tackle [A]box

Yeah with [G]all of these men lining [D]up to get neutered

It's [G]hip now to be femi[A]nized

I don't [Em]highlight my [D/F#]hair I've [G]still got a [D/F#]pair

Yeah [Em]Honey [A]I'm still a [D]guy

And my [Em]eyebrows ain't [D/F#]plucked There's a [G]gun in my [D/F#]truck

Oh thank [Em]God [A]I'm still a [D/F#]guy
