Well you **[C]**know those times when you feel like there's
A **[C]**sign there on your back,
Say's I **[F]**don't mind if ya kick me, **[F]**Seems like everybody has
[G]Things go from bad to worse **[G]**You'd think they can't get worse than that
And then they **[C]**do

You **[C]**step off the straight and narrow, and you **[C]**don't know where you are
Use the **[F]**needle of your compass to **[F]**sew up your broken heart
Ask **[G]**directions from a genie in a **[G]**bottle of Jim Beam
And she **[F]**lies to You
That's **[F]**when you learn the truth

Chorus 1:

*If you're **[C]**going through hell **[C]**Keep on going
[F]Don't slow down If you're **[F]**scared, don't show it
You **[G]**might get out before the **[F]**devil even knows you're **[C]**there*

Well I **[C]**been deep down in darkness I been **[C]**down to my last match
Felt a **[F]**hundred different demons **[F]**breathing fire down my back
And I **[G]**knew that if I stumbled
[G]I'd fall right into the trap that they were **[C]**laying, Yeah

But the **[C]**good news Is there's angels every**[C]**where out on the street
Holding **[F]**out a hand to pull you **[F]**back upon your feet
The **[G]**one's that you been dragging for so long
[G]You're on your knees, you **[F]**might as well be praying
[F]Guess what I'm saying

Chorus 2:

*If you're **[C]**going through hell **[C]**Keep on going
[F]Face that fire **[F]**walk right through it
You **[G]**might get out before the **[F]**devil even knows you're **[C]**there*

(Chorus 1)

(Chorus 2)
