[G]For all I've been blessed with in my [C]life
[D]There was an emptiness in [G]me
[G]I was imprisoned by the [C]power of gold
[D]With one kind touch you've set me [G]free

Chorus:

*Let the [C]world stop [D]turning
Let the [G]sun stop [C]burning
Let them tell me love's not worth going [D]through
If it [C]all falls [D]apart, I will [G]know deep in my [C]heart
The only dream that mattered had come [D]true
In this [C]life, I was [D]loved by [G]you.*

[G]For every mountain I have [C]climbed
[D]Every raging river [G]crossed
[G]You were the treasure that I [C]longed to find
[D]Without your love I would be [G]lost.

Chorus:

Bridge:

[C]I know that I won't live forever
But [G]forever I'll be loving [D]you.

[C] [D] [G] [C] [D]

Chorus:

In this [C]life, I was [D]loved by [G]you.
