[C]For all I've been blessed with in my [F]life
[G]There was an emptiness in [C]me
[C]I was imprisoned by the [F]power of gold
[G]With one kind touch you've set me [C]free

Chorus:

*Let the [F]world stop [G]turning
Let the [C]sun stop [F]burning
Let them tell me love's not worth going [G]through
If it [F]all falls [G]apart, I will [C]know deep in my [F]heart
The only dream that mattered had come [G]true
In this [F]life, I was [G]loved by [C]you.*

[C]For every mountain I have [F]climbed
[G]Every raging river [C]crossed
[C]You were the treasure that I [F]longed to find
[G]Without your love I would be [C]lost.

Chorus:

Bridge:

[F]I know that I won't live forever
But [C]forever I'll be loving [G]you.

[F] [G] [C] [F] [G]

Chorus:

In this [F]life, I was [G]loved by [C]you.
