

## John Cougar John Deere John 3:16 - Keith Urban

<http://www.kanikapila.us/lyrics.html>

I'm a [C]45 spinning on an [G]old Victrola  
I'm a [Am]two strike swinger, I'm a [F]Pepsi cola  
I'm a [C]blue jean quarterback [G]saying "I love you"  
to the [Am]prom queen in a [F]Chevy  
I'm [C]John Wayne, Superman, [G]California  
I'm a [Am]Kris Kristofferson [F]Sunday morning  
I'm a [C]momma and daddy [G]singing along to [Am]Don McLean at the [F]Levy

### *Chorus*

*And I'm a [C]child of a [G]backseat freedom,  
[Am]baptized by [F]rock and roll  
[C]Marilyn Monroe and the [G]Garden of Eden,  
[Am]never grow up, [F]never grow old  
Just [C]another rebel in the [G]great wide open  
On the [Am]boulevard of [F]broken dreams  
And I [C]learned everything I [G]needed to know  
from John [Am]Cougar, John Deere, John [F]3:16*

[C] [G] [Am]Hey, [F]hey  
[C]Every[G]thing I needed[Am] [F]

I'm [C]Mark Twain on the [G]Mississippi  
I'm [Am]Hemingway with a [F]shot of whiskey  
I'm a [C]TV dinner on a [G]tray trying to figure  
out the [Am]Wheel of [F]Fortune  
I'm a [C]Texaco star, I'm a [G]Gibson guitar  
I'm still a [Am]teenage kid trying to [F]go too far  
I'm a [C]jukebox waiting in a [G]neon [Am]bar for a [F]quarter

### *(Chorus)*

I [F]spent a lot of years running from believing,  
[Am]looking for another way to save my soul  
The [F]longer I live, the more I see it:  
[Am]there's only [G]one way [F]home [F]

### *(Chorus)*
