[C]Woke up [E7]just the other day [F]Fell out of bed and my [C]dog ran away.  
The [Am]car won't start and the [D7]weather was cold and [Gsus]gray.[G7]  
I got [C]stuck in a [E7]traffic jam, My [F]major meeting didn't [C]go as I planned.  
[Am]Looks like it's gonna [D7]be another one of those [Gsus]days.[G7]

I got a [C]roof over my [F]head, [G7]Someone to love me in a [C]four poster bed,  
[C]And I can play this [F]here ukulele and I [C]thank [G7]my lucky [F]stars.[G7]

Poli[C]ticians speak and it [E7]makes me ill...[F]People are dyin' [C]just for a thrill.  
[Am]Maybe it's just [D7]evolution gone [Gsus]astray.[G7]  
The [C]climate's too hot, [E7]music's gotten cold,  
I've [F]livin' like a health nut but I [C]still grow old.  
[Am]You do what you can on the [D7]edge of the Milky [Gsus]Way.[G7]

I got a [C]roof over my [F]head, [G7]Someone to love me in a [C]four poster bed,  
[C]And I can play this [F]here ukulele and Gonna [C]thank [G7]my lucky [F]stars.[G7]

[Am]Wrapped up in the [E7]problems of the day,  
[F]Just remember there's no rewind and [C]no replay.  
Don't you [Am]worry cause it [D7]ain't gonna fix a [Gsus]thing.[G7]

[C]Woke up [E7]just the other day, [F]Thought that maybe [C]I'd be OK,  
Cause [Am]the story I've been [D7]getting ain't written any[Gsus]where.[G7]

I got a [C]roof over my [F]head, [G7]Someone to love me in a [C]four poster bed,  
[C]And I can play this [F]here ukulele Gonna [C]thank [G7]my lucky [F]stars.[G7]

I got a [C]roof over my [F]head, [G7]Someone to love me in a [C]four poster bed,  
[C]And I can play this song [F]on this ukulele and I [C]thank [G7]my lucky [F]stars.[G7]

Gonna [C]thank [G7]my lucky [F]stars.[G7][C]

[NC]Thank you stars.
