<http://www.kanikapila.us/lyrics.html>

**[G][C6][G][G][C/D][G][C/D][G]**

I was **[G]**raised by a maid who **[C6]**came from Marti**[G]**nique,  
She wore geckos 'round her neck and brace**[C/D]**lets on her **[G]**feet  
A superstitious woman from the **[C6]**land of sugar **[G]**cane  
She'd sing the sun to bed and dance **[C/D]**out in the **[G]**rain  
**[C]**Dance out **[D]**dance out **[Cmaj7]**dance out **[D]**in the rain**[G][C6]**

**[G]**She'd excite us with the legend that the **[C6]**Africans told**[G]**  
about a red iguana who turned **[C/D]**lava into **[G]**gold  
We'd mount an expedition headin' **[C6]**up into the **[G]**bay  
Superstitious children playing **[C/D]**pirate for a **[G]**day

*Chorus:*

*Off **[C7]**to see the lizard. Off **[G]**to see the lizard**[C/D][G]**  
Dé**[C]**jà déjà **[D]**déjà **[Em]**vu  
Believe **[C]**it and **[G]**it **[Am]**will come **[G]**true  
Ve**[C]**ja veja veja **[Em]**du  
what works **[C]**for me **[G]**might **[Am]**work for **[G]**you**[C6][G]***

Bein' **[G]**rich and famous seems to **[C6]**have it's ups and **[G]**downs  
That's the price you pay for being trouba**[C/D]**dours and **[G]**clowns  
Godzilla's halitosis it is **[C6]**vaporizing **[G]**cars  
Elvis up in Michigan or maybe **[C/D]**out on **[G]**Mars  
**[C]**Dance out **[D]**dance out **[Cmaj7]**dance out **[D]**to the stars**[G][C6]**

**[G]**But livin' in the briar patch **[C6]**ain't what it **[G]**appears  
Sooner or later you gotta **[C/D]**face your **[G]**fears  
I heard it from the parrot verba**[C6]**lizing in the **[G]**tree  
I heard it in the song of the **[C/D]**aborigi**[G]**ne  
**[C6][G][C6][G][C6][G]**

*Chorus*

**[G]**Does it work for me? **[C6][G]**Will it work for you?  
**[C/D][G]**If you believe it will **[C6][G]**it will come true**[C/D][G]**
