[G] [F] [G] [F]

I [G]phoned up my doctor to see what's the matter,
he [F]said, "Come on over !", I said, "Do I have to ? "
My [G]knees started shakin', my wrist started achin',
[A]when my doctor said to [D]me :

[G]Oh my my, oh my my, [F]can you boogie, can you slide ?
[G]Oh my my, oh my my, [F]you can boogie if you try !
[G]Oh my my, [D]oh my my, [Em]it's guaranteed to keep you a[C]live. [G]

The [G]head nurse she blew in just like a tornado,
when [F]they started dancin', I jumped off the table,
I [G]felt myself healin' and as I was leavin',
[A]this is what they said to [D]me :

[G]Oh my my, oh my my, [F]can you boogie, can you slide ?
[G]Oh my my, oh my my, [F]you can boogie, you can try !
[G]Oh my my, [D]if you try, [Em]it's guaranteed to keep you a[C]live.

[G] [F] [G] [F] [G] [D] [Em] [C] [G]

Now [G]if you should slow down and you're feelin' low down,
don't [F]call up your doctor, just grab your partner,
it's [G]what you've been missing, I've got your prescription,
[A]that boogie woogie reme[D]dy.

[G]Oh my my, oh my my, [F]you can boogie, you can slide !
[G]Oh my my, oh my my, [F]we can boogie till we die !
[G]Oh my my, [D]oh my my, [Em]it's guaranteed to keep you a[C]live.

[G]Oh my my, oh my my, [F]watch me boogie, watch me slide !
[G]Oh my my, oh my my, [F]born to boogie, born to slide !
[G]Oh my my, oh my my, [F]oo-wee boogie, oo-wee aye.
[G]Oh my my, oh my my, [F]play that boogie, play that slide !
[G]Oh my my, oh my my, [F]love that boogie, love that slide.

[G] [F] [G] [F] [G] (End 1 strum on G)
