

# Pirate Song

<http://www.kanikapila.us/lyrics.html>

They say **[G]**a man should always dress for the he **[C]**wants  
So **[D]**why'm I dressed up like a pirate in this restau**[G]**rant  
It's all because some hacker stole my identi**[C]**ty  
Now I'm **[D]**in here every evening serving chowder and ice **[G]**tea

Should have gone to free credit report dot com**[C]**  
I **[D]**could have seen this coming at me like an atom **[G]**bomb  
They monitor your credit and send you email **[C]**alerts  
So **[D]**you don't end up selling fish to tourists in t**[G]**shirts

Offer applies to enrollment in triple advantage
