[A7] [D] [A7] [D] [E7] [A] [Em] [A] [A7]

[D]You and me and rain on the roof
[A7]Caught up in a [D]summer shower
[A7]Dryin' while it [D]soaks the flowers
[E7]Maybe we'll be [A7]caught for hours
[Em]Waitin' out the [A7]sun

[D]You and me were gabbin' away
Dreamy conversation sittin' in the [A7]hay
Honey, [D]how long was I laughing in the [G]rain with you
'Cause I [D]didn't feel a drop 'til the [A7]thunder brought us [D]to

[A7] [D] [A7] [D] [E7] [A] [Em] [A] [A7]

[D]You and me underneath the roof of tin
Pretty comfy feelin' how the rain ain't leakin' [A7]in
We [D]can sit and dry just as [G]long as it can pour
'Cause the [D]way it makes you look makes me [A7]hope it rains some [D]more

[A7] [D] [A7] [D] [E7] [A] [Em] [A] [A7]

[D]You and me and rain on the roof
[A7]Caught up in a [D]summer shower
[A7]Dryin' while it [D]soaks the flowers
[E7]Maybe we'll be [A7]caught for hours
[Em]Waitin' out the [A7]sun
