[C] [F] [C] [G] [C]

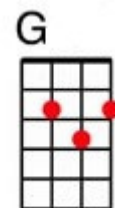

[C]Roll me up and smoke me when I die
And if anyone don't like it, just **[G]**look 'em in the eye
Say **[C]**I didn't come here, and I ain't leavin'
So don't **[F]**sit around and cry
Just **[C]**roll me up and **[G]**smoke me when I **[C]**die.

[C]You won't see no **[G]**sad and teary **[C]**eyes
When I get my wings and it's my time to **[G]**fly
Just **[C]**call my friends and tell them
There's a **[F]**party, come on by
And just **[C]**roll me up and **[G]**smoke me when I **[C]**die.

[C]Roll me up and smoke me when I die
And if anyone don't like it, just **[G]**look 'em in the eye
Say **[C]**I didn't come here, and I ain't leavin'
So don't **[F]**sit around and cry
Just **[C]**roll me up and **[G]**smoke me when I **[C]**die.

[C]Well just take me out and **[G]**build a roaring **[C]**fire
And just roll me in the flames for about an **[G]**hour
And **[C]**then pull me out and twist me up
And **[F]**point me towards the sky
And **[C]**roll me up and **[G]**smoke me when I **[C]**die.

[C]Roll me up and smoke me when I die
And if anyone don't like it, just **[G]**look 'em in the eye
Say **[C]**I didn't come here, and I ain't leavin'
So don't **[F]**sit around and cry
Just **[C]**roll me up and **[G]**smoke me when I **[C]**die.

Say **[C]**I didn't come here, and I ain't leavin'
So don't **[F]**sit around and cry
Just **[C]**roll me up and **[G]**smoke me when I **[C]**die.
