

Seasick Again – Brent Burns

<http://www.kanikapila.us/lyrics.html>

[C]A beautiful day they said it would [F]be
A great time to [C]fish for my buddies and [G7]me
So I slapped on the [C]patch, Shot a double Drama[F]mine
Now we're twenty miles [C]out
They're catchin' [G7]fish and I'm feeling [C]green

Chorus

*[C]I'm seasick again, leaning over the [F]side
Lord I think I just [C]saw my stomach float [G7]by
I'm chummin' the [C]ocean my heads in a [F]spin
So you better get [C]out of my way, [G7]I'm seasick [C]again*

[C]When we left the dock I was feeling so [F]fine
I just couldn't [C]wait to feel a big one on my [G7]line
Now they're pullin' them [C]in, on my left and my [F]right
And laughin' at [C]me, [G7]between baitin' and [C]bites

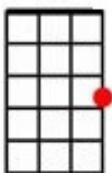

(Chorus)

[C]This tale has a moral, about goin' to [F]sea
If you don't wanna [C]get sick you better listen to [G7]me
Use the patch or Drama[C]mine. But in all likely[F]hood
If you go [C]drinking all night, [G7]they won't do any [C]good

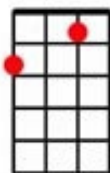

(Chorus)

*[F]So you better [C]move out of my way, [G7]I'm seasick [C]again
[F]So shoot me and [C]throw me on in, [G7]I'm seasick [C]again*
