[G]Sweet little [D]Sheila, you`ll [C]know her if you [D]see her,
[G]blue [C]eyes and a [G]pony [D]tail,
[G]Her cheeks are [D]rosy, she [C]looks a little [D]nosy
[G]Man this little [C]girl is [G]fine

[G]Never knew a [D]girl [C]like-a little [D]Sheila,
[G]her [C]name [G]drives me in[D]sane.
[G]Sweet little [D]girl, [C]that`s my little [D]Sheila,
[G]Man this little [C]girl is [G]fine.

[D]Me and Sheila go for a ride,
Oh-[C]oh-oh-oh, I feel all [G]funny inside.
[D]Then little Sheila whispers in my ear,
Oh-[C]oh-oh-oh, I [G]love you Sheila, dear.

[G]Sheila said she [D]loves me, she [C]said she`ll never [D]leave me,
[G]True [C]love will [G]never [D]die
[G]We're so doggone [D]happy just [C]bein' around to[D]gether,
[G]Man this little [C]girl is [G]fine.

[G]Never knew a [D]girl [C]like-a little [D]Sheila,
[G]her [C]name [G]drives me in[D]sane.
[G]Sweet little [D]girl, [C]that`s my little [D]Sheila,
[G]Man this little [C]girl is [G]fine.

[D]Me and Sheila go for a ride,
Oh-[C]oh-oh-oh, I feel all [G]funny inside.
[D]Then little Sheila whispers in my ear,
Oh-[C]oh-oh-oh, I [G]love you Sheila, dear.

[G]Sheila said she [D]loves me, she [C]said she`ll never [D]leave me,
[G]True [C]love will [G]never [D]die
[G]We're so doggone [D]happy just [C]bein' around to[D]gether,
[G]Man this little [C]girl is [G]fine.

[G]Oh this little [C]girl is [G]fine
[G]Yeah this little [C]girl [G]is fine
