[F]Can't go home if you're going by the mill
Cause the[C] bridge' washed out at the bottom of the hill

[C]Plow my corn with a double shovel

Chorus

[F]Stay all night, stay a little longer
[C]Dance all night, dance a little longer
[F]Pull off your coat, throw it in the corner
[C]Don't see why you can't [F]stay a little longer.

[F]Sitting in the window, singing to my love
[C]Slop bucket fell from the window up above
[F]Mule and the grasshopper eatin ice cream
[C]mule got sick, so they laid him on the green

(Chorus)

[F]You ought to see my Blue Eyed Sally
[C]She lives way down on Shinbone Alley
[F]Number on the gate, the number on the door
[C]The next house over is the grocery store.

(Chorus)

(additional verse from live performance)
[F]Grab your partner, pat her on the head
[C]If she don't like biscuits, feed her cornbread
[F]Girls around Big Creek, 'bout half grown
[C]Jump on a man like a dog on a bone

(Chorus)
