

# Still The One - Orleans

<http://www.kanikapila.us/lyrics.html>

[C]We've been together since way back when  
Sometimes I never want to see you again  
But I [F]want you to know, after [G]all these years  
[F]You're still the one I want [G]whisperin' in my ear

You're [C]still the one I want to [F]talk to in bed  
[Am]Still the one that [D]turns my head  
[F]We're still having [G]fun, and you're still the [C]one

I [C]looked at your face every day  
But I never saw it 'til I went away  
When [F]winter came, I just [G]wanted to go  
[F]Deep in the desert, I [G]longed for the snow

You're [C]still the one that [F]makes me laugh  
[Am]Still the one that's my [D]better half  
[F]We're still having [G]fun, and you're still the [C]one

You're [C]still the one that [F]makes me strong  
[Am]Still the one I want to [D]take along  
[F]We're still having [G]fun, and you're still the [C]one

[C]Changing, our [D]love is going gold  
[F]Even though we [Am]grow old, it grows [G]new

[C]You're still the one that I [F]love to touch  
[Am]Still the one and I can't [D]get enough  
[F]We're still having [G]fun, and you're still the [C]one

[C]You're still the one who can [F]scratch my itch  
[Am]Still the one and [D]I wouldn't switch  
[F]We're still having [G]fun, and you're still the [C]one

[C]You are still the one that [F]makes me shout  
[Am]Still the one that I [D]dream about  
[F]We're still having [G]fun, and you're still the [C]one

[C]You are still the one[F]  
[Am]You are still the one[D]  
[F]We're still having [G]fun, and you're still the [C]one
