

## Stop Stop Stop - Hollies

<http://www.kanikapila.us/lyrics.html>

**[D]** See the girl with cymbals on her fingers, entering through the door.  
Ruby glistening from her navel, shimmering around the floor.  
Bells on feet go ting-a-ling-linging, going through my head.  
Sweat is falling just-a like tear drops, running from her head.

**[D]** Now she's dancing, going through the movements, swaying to and fro.  
Body moving, bringing back a memory, thoughts of long ago.  
Blood is rushing, temperature is rising, sweating from my brow.  
Like a snake, her body fascinates me, I can't look away now.

### Chorus

**[G]** Stop, stop, stop all the dancing, **[A]** give me time to breathe.

**[G]** Stop, stop, stop all the dancing, **[A]** or I'll have to leave. **[D]**

**[D]** Now she's moving all around the tables, luring all in sight.  
but I know that she cannot see me, hidden by the light.  
Closer, closer, she is getting nearer, soon she'll be in reach,  
As I enter into a spotlight, she stands lost for speech.

(Chorus) **[D]** **[D]** **[D]**

(Chorus) **[D]**

**[D]** Now I hold her, people are staring, don't know what to think,  
and we struggle, knocking over tables, spilling all the drinks.  
Can't they understand that I want her, happens every week.  
Heavy hand upon my collar, throws me in the street.

(Chorus) **[D]**
