

Sundown - Gordon Lightfoot

I can [D]see her lyin' back in her satin dress
In a [A7]room where you do what you [D]don't confess
[D]Sundown, you'd [G]better take care
If I [C]find you've been creeping 'round [D]my back stairs
[D]Sundown, you'd [G]better take care
If I [C]find you've been creeping 'round [D]my back stairs

She's [D]been looking like a queen in a sailor's dream
And she [A7]don't always say what she [D]really means
[D]Sometimes I [G]think it's a shame
When I [C]get feeling better when I'm [D]feelin' no pain
[D]Sometimes I [G]think it's a shame
When I [C]get feeling better when I'm [D]feelin' no pain

I can [D]picture every move that a man could make
Getting [A7]lost in her loveing is your [D]first mistake
[D]Sundown, you'd [G]better take care
If I [C]find you've been creeping 'round [D]my back stairs
[D]Sometimes I [G]think it's a sin
When I [C]feel like I'm winning when I'm [D]losing again

I can [D]see her looking fast in her faded jeans
She's a [A7]hard lovin' woman got me [D]feelin' mean
[D]Sometimes I [G]think it's a shame
When I [C]get feeling better when I'm [D]feelin' no pain
[D]Sundown, you'd [G]better take care
If I [C]find you've been creeping 'round [D]my back stairs
[D]Sundown, you'd [G]better take care
If I [C]find you've been creeping 'round [D]my back stairs
[D]Sometimes I [G]think it's a sin
When I [C]feel like I'm winning when I'm [D]losing again
