**[G][F][C][G]** 4x

**[G]**They get up every morning from the **[F]**alarm clock's warning,  
take the **[C]**8:15 into the **[G]**city

There's a **[G]**whistle up above and people **[F]**push and people shove and the  
**[C]**girls, who are tryin' to look **[G]**pretty.

And if your **[G]**train's on time you can **[F]**get to work by nine and  
**[C]**start your slavin' job and get your **[G]**pay.

If you ever get **[G]**annoyed, look at **[F]**me, I'm self-employed,  
I **[C]**love to work at nothing all **[G]**day.

And I'll be **[G]**takin' care of business, **[F]**every day

**[C]**taking care of business, **[G]**every way

I've been **[G]**takin' care of business, **[F]**it's all mine

**[C]**takin' care of business, **[G]**and workin' overtime, workout

**[G][F][C][G]** 2x

It's as**[G]**easy as fishin', you can **[F]**be a musician

if **[C]**you can make sounds loud and **[G]**mellow

Get a **[G]**second hand guitar and chances **[F]**are you can go far,

if you **[C]**get in with the right bunch of **[G]**fellows

People **[G]**see you having fun just a **[F]**lyin' in the sun,

**[C]**tell them that you like it this **[G]**way.

It's the **[G]**work that we avoid and we're **[F]**all self-employed

We **[C]**love to work at nothin' all **[G]**day.

And we've been **[G]**takin' care of business, **[F]**every day

**[C]**taking care of business, **[G]**every way

I've been **[G]**takin' care of business, **[F]**it's all mine

**[C]**takin' care of business, **[G]**and workin' overtime,

**[G][F][C][G]** 2x

(Repeat first verse)

**[G]**takin' care of business, **[F]**

**[C]**takin' care of business, **[G]**
