[C]Teen angel, [Am]teen angel, [F]teen angel, [G]ooh, [G7]ooh.

[C]That fateful night [F]the car was stalled
[C]upon the railroad [F]track,
I [C]pulled you out and [F]we were safe,
but [G]you went [G7]running [C]back.

[C]Teen angel, [G]can you hear me?
[G7]Teen angel, [C]can you see me?
[C7]Are you somewhere [F]up above,
and [G]am I still your [G7]own true [C]love?

What [C]was it you were [F]looking for
That [C]took your life that [F]night?
They [C]said they found my [F]high school ring
clutched [G]in your [G7]fingers [C]tight.

[C]Teen angel, [G]can you hear me?
[G7]Teen angel, [C]can you see me?
[C7]Are you somewhere [F]up above,
and [G]am I still your [G7]own true [C]love?

Just [C]sweet sixteen, and [F]now you're gone,
they've [C]taken you a[F]way.
I'll [C]never kiss your [F]lips again,
they [G]buried [G7]you to[C]day.

[C]Teen angel, [G]can you hear me?
[G7]Teen angel, [C]can you see me?
[C7]Are you somewhere [F]up above,
and [G]am I still your [G7]own true [C]love?

[C]Teen angel, [Am]teen angel, [F]answer [G7]me, [C]please.

(One slow strum on each chord for first 3 lines of verses)
