

## The Unicorn - Irish Rovers

<http://www.kanikapila.us/lyrics.html>

A [C]long time ago when the [G]Earth was green,  
There was more kinds of animals than [C]you'd ever seen.  
They'd run around free when the [F]Earth was being born,  
But the [C]loveliest of them all was the [G]uni[C]corn.

There was green alligators and [G]long-necked geese,  
Some humpty backed camels and some [C]chimpanzees.  
Some cats and rats and elephants, but [F]sure as you're born,  
The [C]loveliest of all was the [G]uni[C]corn.

Now God seen some sinning and it [G]gave Him a pain.  
And He says, "Stand back, I'm [C]going to make it rain!"  
He says, "Hey, Brother Noah, I'll [F]tell you what to do,  
[C]Build me a [G]floating [C]zoo,"

And take some of them  
Green alligators and [G]long-necked geese,  
Some humpty backed camels and some [C]chimpanzees.  
Some cats and rats and elephants, but [F]sure as you're born.  
[C]Don't you forget My [G]uni[C]corn."

Old Noah was there to [G]answer the call,  
He finished up making the ark just as the [C]rain started pourin'  
He marched in the animals [F]two by two,  
And he [C]called out as [G]they went [C]through,

"Hey Lord, I gotcha green alligators and [G]long-necked geese,  
Some humpty backed camels and some [C]chimpanzees.  
Some cats and rats and elephants, but [F]Lord, I'm so forlorn,  
I [C]just can't see no [G]uni[C]corn!"

## The Unicorn – Page 2

Then Noah looked out through the [G]driving rain,  
Them unicorns were hiding, [C]playing silly games.  
Kicking and splashing while the [F]rain was pourin',  
[C]Oh, them silly [G]uni[C]corns!

There was green alligators and [G]long-necked geese,  
Some humpty backed camels and some [C]chimpanzees.  
Noah cried, "Close the door cause the [F]rain's pourin'  
And [C]we just can't wait for no [G]uni[C]corn!"

The ark started moving, it [G]drifted with the tides,  
Them unicorns looked up from the [C]rocks and they cried.  
And the waters came down and sort of [F]floated them away,  
[NC]And that's why ya never seen a unicorn to this very day.

You'll see [C]green alligators and [G]long-necked geese,  
Some humpty backed camels and some [C]chimpanzees.  
Some cats and rats and elephants, but [F]sure as you're born,  
You're [C]never gonna see no [G]uni[C]corn!
