<http://www.kanikapila.us/lyrics.html>

This [C]hotel room's got a lot of stuff A laundry bag and a [G]shoeshine [C]cloth
Thirty-two hangers and a touchtone phone
With a light that comes on when [G]I ain't [C]home
[F]I ain't home, [C]I ain't home You better leave a message, 'cause [G]I ain't [C]home

Break: [F] [C] [G] [C]

They [C]got an air conditioner for when I'm hot A radiator for [G]when I'm [C]not
Two big chairs sittin' side-by-side
With a Holy Bible and a [G]TV [C]Guide
[F]TV Guide, [C]TV Guide, great God almighty, it's a [G]TV [C]Guide

I got a [C]second-story view from curb to curb
I got a sign that reads, "Do [G]Not Dis[C]turb"
A monogrammed towel and bucket of ice
A chest of drawers and [G]mirror that [C]lies
[F]Mirror that lies, [C]mirror that lies That couldn't be me in the [G]gorilla dis[C]guise

They got a [C]room service menu for food and drink
A porcelain throne and an [G]aluminum [C]sink
Two big pillows to rest my head
A Magic Fingers and a [G]king-sized [C]bed
[F]Put in a quarter, [C]turn out the light Magic Fingers makes you [G]feel al[C]right
[F]Feel alright, [C]feel alright Magic Fingers makes you [G]feel al[C]right

This [C]old hotel's alright with me They pay the postage if you [G]lose the [C]key
This hotel room's got a lot of stuff But I do believe I've [G]had e[C]nough
Call my [C]baby said don't you pout I'm packin' my bags and I'm [G]checkin' [C]out
Just as [C]soon as you hang up the telephone
Stick a candle in the window, I'm [G]comin' [C]home
[F]Comin' home, [C]comin' home
Stick a candle in the window I'm [G]comin' [C]home
Whoa, [F]comin' home, [C]comin' home
Stick a candle in the window I'm [G]comin' [C]home
