## Chorus

Thank God the **[Em]**tiki bar is open  
Thank God the tiki torch still **[B7]**shines  
Thank God the **[Em]**tiki bar is **[Am7]**open  
Come on **[Em]**in and open **[B7]**up your **[Em]**mind

I was **[Em]**out on a leave of absence  
With no resemblance to reali**[B7]**ty  
I felt like a **[Em]**rocket launched into the **[Am7]**wild blue yonder  
By the **[Em]**boys down at **[B7]**Kenne**[Em]**dy

Checked **[Em]**into His Majesty's Court Hotel  
Where the sign said "Praise His **[B7]**Name"  
I was **[Em]**tired and alone I didn't **[Am7]**feel too well  
But I **[Em]**don't think that **[B7]**he was to **[Em]**blame

## (Chorus)

There's a **[Em]**Full moon over Phoenix, Arizona  
A full moon in my **[B7]**mind  
And my **[Em]**sun tan dream is **[Am7]**still out of reach  
And the **[Em]**strip malls are **[B7]**robbing me **[Em]**blind

Well his **[Em]**name was Captain Adam Troy  
And he sailed the "Kon-Ti**[B7]**ki"  
Now the **[Em]**captain's gone but he **[Am7]**won't be forgotten  
Nor his **[Em]**likes will we **[B7]**ever **[Em]**see

## (Chorus)

Well a **[Em]**drink ain't no solution  
But it can calm your **[B7]**fears  
And if that **[Em]**tiki bar closes **[Am7]**down tonight  
Well **[Em]**I just might **[B7]**dissap**[Em]**pear

## (Chorus) 2X
