[C] [F] [C] [G] [C] [F] [C] [G] [F]

Chorus

I got my **[C]**toes in the water, **[F]**ass in the sand
Not a **[C]**worry in the world, a cold **[G]**beer in my hand
Life is **[F]**good today **[G]**Life is **[C]**good today

Well, the plane **[C]**touched down just about **[F]**three o'clock
And the **[C]**city's still on my **[G]**mind
Bi**[C]**kinis and palm trees **[F]**danced in my head I was **[C]**still in the **[G]**baggage **[C]**line
Con**[C]**crete and cars are there **[F]**own prison bars **[C]**like this life I'm living **[G]**in
But the **[C]**plane brought me farther I'm sur**[F]**rounded by water
And I'm **[C]**not going **[G]**back a**[C]**gain

(Chorus)

[C][Tacet]Adiós and vaya con **[F]**Dios Yeah I'm leaving GA**[C]**
And if it **[G]**weren't for tequila and pretty señoritas **[G]**I'd have no reason to **[C]**stay
[C][Tacet]Adiós and vaya con **[F]**Dios Yeah I'm leaving GA**[C]**
Gonna **[G]**lay in the hot sun and roll a big fat one
[G][Tacet]And grab my guitar and **[C]**play

Well, **[C]**four days flew by like a **[F]**drunk Friday night As the **[C]**summer drew to an **[G]**end
They **[C]**can't believe that I just **[F]**couldn't leave And I **[C]**bid **[G]**adieu to my **[C]**friends
'Cause my **[C]**bartender **[F]**she's from the islands Her **[C]**body's been kissed by the **[G]**sun
And **[C]**coconut replaces the **[F]**smell of the bar And I **[C]**don't know if its **[G]**her or the **[C]**rum

(Chorus)

[C][Tacet]Adiós and vaya con **[F]**Dios Yeah I'm far from GA**[C]**
Yes and all **[G]**the muchachas they call me big poppa **[G]**When I throw pesos their **[C]**way
[C][Tacet]Adiós and vaya con **[F]**Dios Yeah I'm far from GA**[C]**
Someone **[G]**do me a favor and pour me some Jaeger
[G][Tacet]And I'll grab my guitar and **[C]**play

[C][Tacet]Adiós and vaya con **[F]**Dios Going home now to **[C]**stay
The seno**[G]**ritas don't care-o when there's no dinero
[G]You got no money to **[C]**stay
[C][Tacet]Adiós and vaya con **[F]**Dios Going home now to **[C]**stay

[G](Just gonna drive up by the lake)
And put my **[C]**ass in a lawn chair, toes **[F]**in the clay
Not a wor**[C]**ry in the world a PB**[G]**R on the way
Life is **[F]**good today **[G]**Life is **[C]**good today
