

Anchors Aweigh (US Navy Anthem)

<http://www.kanikapila.us/lyrics.html>

[C]Stand, Navy, [Am]out to sea,
[C]fight our [G]battle [C]cry;
[F]We'll never [C]change [F]our [C]course,
[Am]so [D]vicious foe steer shy-[G]y-y-y.
[C]Roll out the [Am]T N T, [C]An[G]chors A[C]weigh.
[F]Sail on to [C]vic[F]tor[G]y
and [C]sink their bones to [G]Davy Jones, hoo[C]ray!

[C]Anchors A[Am]weigh, my boys,
[C]An[G]chors A[C]weigh.
[F]Farewell to [C]col[F]lege [C]joys,
[Am]we [D]sail at break of [G]day-ay-ay-ay.
[C]Through our last [Am]night on shore, [C]drink [G]to the [C]foam,
[F]Until we [C]meet [F]once [G]more,
[Am]here's [C]wishing you a [G]happy voyage [C]home.
